Happy Days is evaluating the length of our programs and wants to hear from you.

Currently our programs are two hours in length and run from 9:15am to 11:15am and are scheduled as such for September 2024.

If we were to change our 4 year old program (M/W/F) length to two hours and 30 minutes, running from 9:15am to 11:45am and increased the tuition fee from \$190 to \$235 per month, would you keep your child enrolled at our preschool or would you withdraw your child?

Note, the above hours and fee increases would need to be approved by the CCFRI program.

If approved, monthly CCFRI for this program would remain unchanged at \$57/month resulting in a parent payment of \$178/month.

- I would keep my child registered at the preschool with the increased hours and fees.**
- I would withdraw my child from the preschool. We prefer the two hour program for our family.**
- My child is enrolling in the 3 year old program this year.**

Please read and sign below

1. Morning sessions are from 9:15 a.m. to 11:15 a.m., afternoon sessions are from 12:30 p.m. to 2:30 p.m. I will make every effort to be prompt in bringing my child to school so the program may begin, and in picking my child up at the end of the session so no one must wait for me.
2. I will not send my child to school if there is any question of illness. If my child contracts a communicable disease, I will notify the teacher immediately so that other families may be made aware of the contact. I will also advise the teacher of any allergies or dietary concerns.
3. I will notify the teacher if my child will not be attending preschool for the day, so that the rest of the class does not wait unnecessarily. In order to help the teacher deal with any potential unusual behaviour, I will inform the teacher of any event or change in routine at home that may affect my child.
4. If I have any questions about my child's progress or the preschool program, I will direct them to the teacher. I will direct suggestions about the administration of the playschool to the Executive via my class representative.
5. I understand that I am responsible for knowing the contents of the Parent Handbook.
6. I understand that my child is expected to be toilet trained or in the process of learning to use the toilet. If my child is not completely toilet trained, I will put my child in a diaper or pull-ups for sanitary reasons. I understand that I will be called should a change be required.
7. In case of injury to my child while in the care, custody, or control of the playschool, I hereby waive all claims against the school in excess of public liability insurance carried by the playschool. In case of car-pooling and transportation of children other than my own to and from school, I am aware that adequate third person liability on my private automobile insurance is mandatory.
8. I will pay my child's tuition fees by preauthorized direct debit from September to June.
9. If it becomes necessary to withdraw my child from the school, I will give one (1) calendar months' notice in writing to the Enrollment Officer or pay one (1) month's tuition in lieu of notice. If I withdraw my child within 30 days of the scheduled start date (e.g. September), I will waive my first month's prepaid tuition fees.
10. The staff have final say on eligibility for moving between programs. There may be a trial period or waiting period before a spot is granted.

I have carefully read the above Parent Agreement and agree to follow it to the best of my abilities. I am willing to abide by the Constitution and Bylaws of Happy Days Playschool Association. I understand that failure to comply with Association policies and procedures may result in the suspension or termination of my membership. My signature indicates that I agree with all of the above.

Happy Days Playschool promotes healthy food choices and responsible food handling for the children's snacks and other shared food.

Parents are responsible for preparing the snack for their own child. Food must be cut into bite-sized pieces. Extra care must be taken with foods that pose a choking hazard (e.g. grapes must be cut lengthwise into halves and carrots must be cut lengthwise).

Policies and Procedures

1.4 Nutrition and Snacks (Effective September 2006, Revised August 2018)

- a) The Association believes in healthy food choices which promote growth and development in children.
- b) Parents must provide their children with snack items that include healthy choices and from a variety of food groups as recommended by the Canada Food Guide. Candy and cookies are not an acceptable snack option.
- c) A snack is part of the daily curriculum except for field trip days (see Policy and Procedures 3.5) and special occasion party days (ie Halloween, Christmas etc), when an alternate snack will be arranged.
- d) Children must bring a reusable water bottle to every class which will be brought out at snack time. No juices or other beverages are permitted.
- e) Food allergies and sensitives must be communicated and respected by the entire school population. Staff will keep a listing of children with food allergies, symptom and treatment information in the school kitchen. See Policy and Procedure 3.3 for more information.
- f) Students with food preferences, whether it be for religious, personal or other reasons, are not included in the allergy alert notices.
